

IAEA Technical Meeting on Nuclear Fuel Cycle and Materials

Meetings in 2013

1. Technical Meeting on Optimization of In Situ Leach (ISL) Uranium Mining Technology
April 2013, IAEA Headquarters Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-tm-ISL-2013.html

2. Technical Meeting on the Thorium resources and provinces
September 2013 IAEA Headquarters, Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-tm-thorium-2013.html

3. Technical Meeting on the Metasomatite Uranium Occurrences and Deposits
June 2013 IAEA Headquarters, Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-tm-metasomatite-2013.html

4. Technical Meeting on Classification of World Uranium Deposits with a Focus on
Volcanic-related Deposits
February 2013 IAEA Headquarters, Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-tm-Uranium-Deposit-Models-2012.html

Meetings in 2012

1. Technical Meeting on the Origin of Sandstone Uranium Deposits: A Global Perspective
June 2012 IAEA Headquarters, Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-tm-sandstone-201250186.html

2. Training Meeting on Effective Regulatory and Environmental Management of Uranium
Production

August 2012, Medina Grand Darwin Waterfront Hotel, 7 Kitchener Drive, Darwin City
Waterfront, Darwin, Australia

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-TR-Darwin-2012.html

3. Technical Meeting on the Uranium Production Cycle Network on Education and Training (UPNET)

October 2012, IAEA Headquarters, Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-UPNET-2012.html

Meetings in 2011

1. Technical Meeting on Uranium Provinces and Mineral Potential Modelling
June 2011, IAEA Headquarters, Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/nfcms_rawmaterials_tmprovinces.html

2. Technical Meeting on Uranium Production from Phosphate Rocks
September 2011, IAEA Headquarters, Vienna, Austria

http://www.iaea.org/OurWork/ST/NE/NEFW/Technical_Areas/NFC/uranium-production-cycle-tm-phosphate-2011.html

3. Technical Meeting on World Thorium Resources
October 2011, Thiruvananthapuram, India

http://www.iaea.org/OurWork/ST/NE/NEFW/nfcms_rawmaterials_tmthorium2011.html

4. Uranium Recovery from Phosphates and Phosphoric Acid
November 2011, University of Cadi Ayyad, Marrakech, Morocco

http://www.iaea.org/OurWork/ST/NE/NEFW/_nefw-documents/meetings/Announcement-uraniummeeting.pdf
